

The Nordic Championships 20.-21.-22. july 2018.

The Championships in 2018 will be held at Musse Skyttecenter about 140km south of Copenhagen on the island Lolland. Same place as in 2006.

address: Skydebanevej 4880 Nysted.

Position: 54.7229 N 11.6575E

The shooting center has lots of space for camping and nice facilities like toilets and showers.

All 25m-50m and 100m events will be held at the range. Clay pigeons will be held at a range half an hours drive away from the shooting center.

We hope to see a lot of shooters from all 4 countries in Musse next year.

Final invitation will be sent in the beginning of November.

Besides taking the ferry from Rødby to Germany and buy taxfree, there is also a lot of places and sights to visit on the islands Lolland and Falster , check here: <http://www.visitlolland-falster.com/In-int/lolland-falster/welcome-lolland-falster>
